FROM THE PEAK.

Bad Weather Causes Sch. Jubilee To Bring Small Fare.

Capt. Iverson Says School Fish Have Not Yet Struck.

Sch. Jubilee, Capt. Peter A. Iverson, which arrived yesterday afternoon from a fresh fishing trip, caught her fare on the Peak and is the first craft to arrive from that codfishing ground this season.

The Jubilee brings a small fare, and Capt. Iverson reports the worst kind of weather, nothing but a succession of gales and heavy blows, which would drift the vessel off the spot and keep them busy working back to the fishing place.

When there were chances to set, but few fish were found, showing that the school of codfish generally looked for on this ground at this time or a little later, had not struck on as yet. Capt. Iverson reports seeing no ice.
