Herring Notes.

The St. John's Herald has the following herring news:

"Vessels for frozen herring are now due and with the present weather should be very successful. Over 100,000 barrels of the fish are said to have been taken so far, and the local packers have all done well. Bay of Islands hopes to land 150,000 barrels—worth at least $225,000.

"From Placentia Bay we learn that herring are fairly plentiful at several places. The factories at Arnolds Cove are doing well. Stenaman has put up 600 barrels and Jameson 500.

"The Asst. Collector received a wire from Bay of Islands stating the weather was terrific on that coast, and winter had set in with severity. This will be serious for the herring catchers who want at least reasonable weather for their work."

Capt. Daniel A. Cogill of this city will command sch. Ada S. Babson of Bucksport on a Newfoundland frozen herring voyage.

A BIG RECORD.

Sch. Horace B. Parker Stocks $192,000 in Fourteen Years.

Has Been Sold Recently to Capt. Jerry Gayton.

Capt. William H. Thomas has sold sch. Horace B. Parker, 98.57 tons gross, 62.02 tons net, built at Essex in 1888, to Capt. Jerry Gayton. The craft has been stripped and hauled up, and this spring Capt. Gayton will command her in the salt bank fishery.

The Parker is almost 14 years old, and has always been commanded by Capt. Thomas who has engaged chiefly in the haddock and salt bank fishery. In this length of time, not quite 14 years, Capt. Thomas has made the remarkable stock of about $192,000.

Capt. Thomas is, and has been for many years, one of our leading master mariners and is now considering the placing of a contract for a new schooner of the latest design.
