"CALIFORNIA" COD.

Effort Made to Secure Orders Here Last Week.

Shippers Here Did Not Take Kindly to Them.

Gloucester fish dealers were approached last week by parties who were on east endeavoring to secure orders for consignment of western, or what are better known to the trade as "California" cod.

As far as known orders for four or five carloads were taken in Boston, but leading curers and shippers say none were disposed of here, as the big firms, even though very short of fish, did not care for the goods, which they claim are far from being as good quality as Atlantic codfish.
