Mackerel Items.

A letter to the TIMES from Gay Head received this morning, states that every day during the recent fine weather, from 40 to 75 sail of boats and schooners have been jigging mackerel in the sound. For the past few days they have been working on fish to the westward of Tarpaulin Cove, and they all seem to be doing well. On some days some of the boats run into the steamboat wharf and leave their catch. Some of the fares recently were of good size and fine quality.

ALMOST $20,000.

Sch. Elector High Line of the Trawl Bank Fleet.

Landed Over 605,000 Pounds of Salt Cod.

Sch. Elector, Capt. Orlando Vanamberg, weighed off 605 325 pounds of salt cod as the result of her two trawl bank trips this season, giving her the remarkable stock of $19,862 82.

This makes the Elector high line of the trawl salt bank fleet and is in keeping with the good work which Capt. Vanamberg has done year after year.

Capt. Vanamberg is one of those quiet, hard-working skippers who can always be relied upon for a fine season's work. He has always been one of the leaders of the salt bank fleet and has been high line many times. His success is gratifying to his large number of friends.
