FISHERIES

Gentlemen.

I did not do any fishing in alaska during 1918.

However I did advance Wiltse & Morton some money on 50 bbls of Pink & Chum Salmon which they packed in Valdez bay, last summer, and as I was going to Seattle shipped them out, in my name.

I spoke to Mr. Wiltse and he says that he has included this 50 bbls in his report and has paid the tax on same. 10 bbls Pinks 40 bbls Chums.

I did not hire any labor nor did I own any fishing gear of any kind.

Hopeing this is satisfactory I am

Yours Very Truly,
A. C. Hoodenpyle.
