Department of Commerce,
Bureau of Fisheries,
Washington, D. C.

Gentlemen:

Referring to your letter of October 6th, your file M.S.H.

All of the fish referred to in our report of operations at Herendeen Bay, Alaska, were taken outside the entrance to Herendeen Bay in the open waters of Bering Sea, Alaska.

Trusting this information is what you require, we beg to remain,

Very truly yours,

EVERETT PACKING COMPANY.
