Subject: Statistical reports of fishery operations.

Haines Packing Co.,
3002 L. C. Smith Building,
Seattle, Washington.

Gentlemen:

There is inclosed herewith a circular notice of recent date with reference to the accuracy of the information to be furnished on the statistical reports required of all fishery operators in Alaska.

In this connection your attention is called to the fact that on the report submitted by you for your Letinkof Cove cannery this past season the localities from which salmon were reported were too general.

It will be of the greatest assistance to this Bureau and render its statistics of greater value to the industry if all operators will cooperate in this work. Your attention to this matter will be appreciated.

Very truly yours,

Lewis Radcliffe.

Acting Commissioner.

Inclosure.
