NIGHT LETTER.

Winn,
Bureau Fisheries,
Seattle, Washington.

Bureau needs Alaska statistical reports from following herring packers: Jacob Johnson, Lee and Salater, B Bortz, Alaska Sea Food Products Company and Ketchikan Cold Storage Company. When will they be forthcoming.

O'Malley.

MSB

If the Seattle office will address this communication to the Alaska Sea Food Products Co. c/o J. P. Todd, Colman Dock, Seattle, Wash., instead of at Ketchikan, Alaska, we may get a report.

This company operates at Three Saints Bay, Kodiak Island, and at no time at Ketchikan or elsewhere in Southeast Alaska.

~~No wonder reports do not come in~~

Reports needed from following packers before herring section can be closed:
