Subject: Modification of herring permit, Halibut Cove.

Mr. Fred Stone,
Seldovia, Alaska.

Dear Sir:

Refering to my letter of November 28, stating that a close season on herring will be in effect from January 1 through May 31, 1924, you are advised that telegraphic instructions have just been received from the Commissioner of Fisheries authorizing the extension of the herring fishing season at Halibut Cove and the lagoon through January 31, 1924, if the quality of herring is good, but that all herring operations are to cease at once if the fish are not of good quality and are unsuitable for packing at any time before January 31.

Supplementary Permit No. Cordova 184-1923, which you now hold, is therefore modified in accordance with the Commissioner's instructions.

Respectfully,

Shirley A. Baker
Ast. Agent
