STATION HISTORY

A climatological station was established 10.6 miles northwest of the Crivitz post office at Crivitz High Falls October 1, 1911. The instruments have been exposed over sod under standard conditions.

The observations have been taken by employees of the Northern Hydro-Electric Power Company from October 1, 1911 to October 19, 1946, and by the Wisconsin Public Service Company since October 19, 1946.
