To: All Commissioners

From: INPFC Secretariat

Subject: Additions to INPFC document index

Action Required: Updating INPFC document index or cards

Gentlemen:

The INPFC document index was first distributed in June 1961 and has been brought up to date annually, most recently by Circular Letter No. 590 of January 28, 1970. The index is prepared in two forms, one on heavy stock suitable for cutting and filing as cards, and one on light weight paper for use in page form.

With this circular letter you will receive additional sheets covering INPFC Documents 1270 to 1368, bringing the index up to date as of January 6, 1971.

Please note that INPFC Document 1250 was revised in 1970. The card or page which has this document listed on it should have this revision indicated. Underneath the document number (1250) please write in the following: "Rev. 1--October 1970".
