This authority shall not apply to Indians, Aleuts, and Eskimos while they are employed by any person for the purpose of taking fur seals or are under contract to deliver the skins to any person.

(b) Indians, Aleuts, and Eskimos who live on the Pribilof Islands are authorized to take fur seals for subsistence purposes as defined in section 1379(f)(2) of this title, under such conditions as recommended by the Commission and accepted by the Secretary of State pursuant to regulations promulgated by the Secretary.

Sec. 1154. Scientific research on fur seal resources; use of fur seals for educational, scientific, or exhibition purposes

-STATUTE-

The Secretary shall (1) conduct such scientific research and investigations on the fur seal resources of the North Pacific Ocean as he deems necessary to carry out the obligations of the United States under the Convention, and (2) permit, subject to such terms and conditions as he deems desirable, the taking, transportation, importation, exportation, or possession of fur seals or their parts for educational, scientific, or exhibition purposes.

All seal harvests will be financed, to the extent possible, from proceeds collected in preceding years or unsold assets retained from harvests conducted in preceding years. In the event that such assets and proceeds are insufficient, as determined by the Secretary, to finance the seal harvest in accordance with the requirements of the Convention, there are authorized to be appropriated to the Secretary for fiscal year 1984, and for fiscal year 1985 and beyond if the Convention is extended by protocol signed by the parties and made effective as to the United States, such sums as may be necessary to carry out the harvest and curing on the Pribilof Islands.
