HERRING LEGISLATION.

Important Move Proposed at Bay of Islands, N. F.

The Bay of Islands, N. F., Western Star of April 2 says:

"We learn that the Department of Fisheries will shortly publish a rule prohibiting the use of seines and traps for the hauling of herring in the waters of Bay of Islands, save only for the purpose of procuring herring for bait for the prosecution of the shore or bank cod fishery."

Friday April 4th

Fishing Fleet Movements.

Monday, April 7th

upon the table.

Bait Notes.

Herring are now very plentiful at St. Joseph's, Salmonier, and good hauls have been made with nets.

Herring are very scarce in Placentia Bay. Few were taken at Ragged Harbor the past week, but none of any account. In Fortune Bay this fishery still continues good.—St. John's Herald, April 1 and 2.

Successful with Herring at Fortune Bay.

Residents of For tune Bay have had an exceptional year with herring. The men have averaged $100 each and seines went as high as $180 to $200 for each man. It is thought that the herring are returning to their old haunts and that this bay may yet be as prosperous as in years gone by.
