FEW MACKEREL LANDED LAST WEEK

TOTAL RECEIPTS 672,100 POUNDS —SEASON'S CATCH LESS.

A few small trips of mackerel were landed during the past week. A fleet of 25 have been operating on Georges but report fish as a rule in small schools with schools of blackfish numerous and a menace to seining. The water does not fire as much as usual at this season of the year which makes it difficult to locate the schools Total receipts of mackerel last wek were 672,100 pounds.

In the corresponding week last year the mackerel fleet landed less than 100,000 pounds, caught off No Man's Land and some off Provincetown.

The total catch of mackerel has been 34,496,450 pounds as compared with 40,673,400 pounds in the same period of 1935 and 34,357,704 pounds in 1934.
