Gentlemen:

Your report of operations in Alaska for the season of 1914 is returned herewith in order that a segregation may be made of the persons employed. Please separate the fishermen and cannerymen under the heads of fishermen and shoresmen. In other words, those that you have included as cannerymen should be shown under the head of shoresmen. Please supply this information as soon as possible and return the report to the undersigned.

Yours very truly,

Agent in charge Pacific Coast Office.
