Gentlemen:

Inclosed please find Statistical reports of our Hoonah and Gambier Bay Canneries for season of 1918.

In connection with the Copper River hearing our report for the Katalla Cannery was forwarded to you early in October. At that time it was necessary to estimate our declaration of operating expenses. Our books are now closed for the season and we can furnish an accurate amount, therefore we would request that in answer to "Cost of operations, exclusive of wages, and value of vessels, boats and fishing gear the amount $ 116,000.00 be inserted in place of the estimated $ 150,000.00.

Thanking you in advance for your attention to this change, we are,

Very truly, yours,

Hoonah Packing Company.
