Gentlemen:

Your report of fishery operations in Alaska in the season of 1918 was received under date of October 26, 1918. Upon examination it is noted that you have not stated the disposition made of ~~the~~ approximately 500,000 salmon of various species taken. The report is therefore being returned to you for the insertion of this information and any other data which may have been omitted. Your early attention will be greatly appreciated.

Very truly yours,

H. F. Moore.

Inclosure.

Acting Commissioner.
