Gentlemen:-

Find herewith statistical report of the 1919 operations of this company, which think you will find complete, and as accurate as it is possible for us to give it at this time, as our books for the year have not been closed, owing to fact that we had a great deal of construction work to do on the cannery during the year.

Sincerely trust the delay, which has been unavoidable on our part, due to construction referred to, inventories, etc, will not inconvenience your work, and that you will pardon the delay.

Very truly,
MARATHON FISHING & PACKING CO.
