Dear Mr. O'Malley:

We have your communication of February 18th regarding the delinquent statistical statement for the Kuskokwim Fishing & Transportation Company.

The Northern Fisheries operated this station jointly with the Kuskokwim Fishing & Transportation Company under the firm style of "Kuskokwim Salmon Company" and we will immediately prepare the blanks under the latter designation and forward to the office in Washington. We regret that the reports have been delayed but it has been a strenuous proposition throughout.

Yours very truly,

NORTHERN FISHERIES, INC.
