Mr. S. A. Baker, Asst. Agt.,
U. S. Fisheries Service,
Cordova, Alaska.

Dear Sir:

In accordance with instructions from your office of recent date, I am attaching hereto a statement showing date and place of delivery of annual statistical reports to the different operators in Cook Inlet district.

This includes all operators with exception of Joe Magill, mild curer, and one or two herring operators whose location I have not been able to determine.

Mr. Magill, I understand, returns to Alaska on the Admiral Watson, arriving at Anchorage about September 18. He can be reached there by mail.

Very truly yours,
