Statistical reports of fishery operations.

Petersburg Packing Co.,
2017 L. C. Smith Bldg.,
Seattle, Washington.

Gentlemen:

There is inclosed herewith a circular notice of recent date with reference to the accuracy of the information to be furnished on the statistical reports required of all fishery operators in Alaska.

In this connection your attention is called to the fact that on the report submitted by you for your cannery at Petersburg this past season the location of traps was not given. Traps were listed by number and the catch of each was given. In other respects the report was all right.

It will be of the greatest assistance to this Bureau and render its statistics of greater value to the industry if all operators will cooperate in this work. Your attention to this matter will be appreciated.

Very truly yours,

Very truly yours,
Acting Commissioner.
