

DEPARTMENT OF COMMERCE
BUREAU OF FISHERIES
WASHINGTON

IN REPLY REFER TO FILE

ADDRESS ALL COMMUNICATIONS TO
COMMISSIONER OF FISHERIES
WASHINGTON, D. C.

April 24, 1924.

Subject: Statistical reports.

Memorandum for Mr. Bower:

The reports of the several canning companies listed in my memorandum of April 23 are defective in the following respects;

SOUTHEAST ALASKA:

Alaska Consolidated Canneries, - Pybus Bay.

Location of each trap not reported and catch not shown separately. Localities where salmon were taken by seines are too general.

Alaska Herring & Sardine Co. - Port Walter.

Location and catch of each trap not shown. Localities where salmon were taken by seines are too general.

2702 1000 3/4

Astoria & Puget Sound Canning Co. - Excursion Inlet.

Location and catch of each trap not given. Localities from which seine fish were taken are too general.

F. C. Barnes Co. - Lake Bay.

Location and catch of each trap not shown.

Burnett Inlet Packing Co. - Burnett Inlet.

Location and catch of each trap not shown separately.

Haines Packing Co. - Letinkof Cove.

Localities reported are too general.

Hoonah Packing Co. - Gambier Bay.

Location and catch of each trap not shown separately. Seining grounds too general.

✓ International Packing Co. - (Floating)

Localities not given.

✓ Karheen Packing Co., - Karheen.

Location and catch of each trap not shown separately.

✓ Libby, McNeill & Libby, - Taku Harbor.

Location and catch of each trap not shown separately.

✓ George T. Myers & Co. - Chatham.

Localities grouped. Location and catch of each trap not shown separately.

✓ New England Fish Co. - Ketchikan.

Localities not reported.

✓ Pacific American Fisheries, - Excursion Inlet.

Everything grouped under one locality - "Icy Strait".
Location and catch of each trap should be reported separately.

✓ Robert John Peratovich, - Bayview.

Localities not reported. Instead the names of seine~~d~~ boats was given.

✓ Petersburg Packing Co. - Petersburg.

Location of traps not reported. Traps listed by number and catch of each was given. In other respects the report was all right.

✓ Red Salmon Packers Association - (Floating)

Localities in Ketchikan district where fish were obtained were not reported.

✓ Sunrise Packing Co. - Ketchikan.

Localities from which seine fish were obtained were not reported.

✓ Superior Fisheries Co. - Tenakee.

Localities too general. Location and catch of each trap not shown separately.

Thlinket Packing Corporation - Funter Bay.

Location and catch of each trap not shown separately. Too much grouping of localities.

The Trading Union, Inc., - Petersburg.

No localities reported.

CENTRAL ALASKA:

Alitak Packing Co. - Lazy Bay.

Location and catch of each trap not reported separately.

Alaska Sea Food Co., - Near Cordova .

Localities in Prince William Sound where salmon were taken with seines were not reported.

Canoe Pass Packing Co., - Shepard Point.

Localities not reported. Company claimed that this information was given to Mr. Baker and that it is not available at their Portland office.

Columbia River Packers Association - Chignik.

Location of traps reported as in Chignik Lagoon, which does not seem to be correct. The correct location and catch by each trap should be shown separately.

Copper River Packing Co. - McClure Bay.

About 600,000 salmon were reported as having been taken by gill nets in "miscellaneous" localities. Specific localities should be reported.

Henry J. Emard - Moose Point.

Localities not reported.

Hoonah Packing Co., - Bering River.

Localities in Prince William Sound where salmon were taken by seines were not reported.

North Coast Packing Co. - Ninilchik.

Localities not reported.

*6000 Nielsen
13*

Northwestern Fisheries Co. - Kenai.

Location of private traps and number of salmon obtained from each one was not shown separately.

Pacific American Fisheries - Ikatan.

Location and catch of each trap not reported separately.

Pacific American Fisheries - King Cove.

Location and catch of each trap not reported separately.

Pioneer Canneries, Inc. - Snug Harbor.

Localities grouped. Catch should have been reported separately for each one. This concern may not be in business in 1924.

Pioneer Packing Co. - Cordova.

*Alaska
work*

Localities in Prime Will Sound from which seine fish were obtained were not reported.

WESTERN ALASKA:

Carlisle Packing Co. - (Floating)

1109 IC 5/27

Localities not reported.
