October 25, 1923.

A reservation designated as the Southwestern Alaska Fisheries Reservation having been created by the Executive Order of November 3, 1922, the Northwestern Fisheries Company, whose home office is at Seattle, Washington, is hereby authorized to operate its plant for the catching and canning of salmon for commercial purposes at Uyak, within Zone One of the Kodiak-Afognak district of the said reservation, during the calendar year 1924, under the following conditions:

That the company shall observe the existing laws and regulations for the protection of the fisheries of Alaska and for the administration of the said reservation (copies of which are attached hereto and the conditions of which are made a part of this permit), as well as those that may hereafter be enacted or promulgated for such purposes.

4. That this permit expires December 31, 1924, is not transferable, and is revocable at any time at the pleasure of the Secretary of Commerce.
